Subject: Submission of Student Dissertations (December 2024) to the College Library

Respected Sir, I am writing to request the inclusion of the dissertations submitted by students of M.Sc. Mathematics final year in december 2024 in the college library. These dissertations, completed under the guidance of faculty members, represent significant research efforts and valuable academic contributions by our students. Making them accessible in the library would greatly benefit upcoming students by providing reference material, research insights, and inspiration for their own academic projects. I have compiled a list of the dissertations, including student names, roll no and supervisor name, as below.
